

A selection of Catches for the week ended 18/5/14.

It is hard to get reports from a cross section of beats on the river so thanks to an SRT board member for chasing up the information below. Apologies in advance for any misspelt names or incorrect attributions.

Clonegal area

Alex Wilding aged 12 landed his first salmon despite the pouring rain. Colm and John White also reported fish off the beat

Clohamon

Excellent fishing in the early part of the week including another big fish of 20 lbs +

Clobeman

A number of fish landed during the week and a "monster" lost. 3 fish landed on Sunday

Enniscorthy

11 for the week, Tiernan Sludds 7lb, Ger Doran 8lb, Jim Sludds 6lb, Seamus O Leary 10lb, Daithi Cahill 8 and 12lb and Jimmy Fenlon 9 and 12 were some of the lucky anglers. 4 lost for the week.

Farmlee

Kilbride

Tom Dawson reported great fishing on Kilbride landing 3 and losing 5 (one sea liced) to his rod during the week. Paul McQuinn got one and Conor Maguire got 2.

Kildavin

Stuart Feeney was once again amongst the successful anglers

The Meadow,

Jason O'Brien had one and Mary Harkin got one and lost one.

Riversdale

Teddy Sinnott reports good fishing and with good numbers of sea liced fish.

Solsboro

A few fish caught. Successful anglers included Francis Connolly and Stuart Feeney

Tullow

Reports from Tullow are sparse but several fish are believed to have been caught. On Friday Tony Quigley had one and Eddie Quigley had 3. Richard Murphy had one on Thursday

Tombrick

Brian Hennessey and Brian Howard both had a fish.

The Wood beat

Sean O'Brien reports a fish caught on the beat.

Fish are running hard and this is illustrated by the fact that I fished Tombrick for most of Sunday and only saw one fish and touched nothing. It was a similar story for anglers on Clohamon while fish were met and landed both upstream and in Enniscorthy.
